SUBJECT: REQUEST PAYMENT COMPULSORY SCHOOL INSURANCE A.S. 2022/2023 and voluntary contribution

We inform you that from 07/10/2022 it is possible to proceed, through the system Pago in rete, to pay compulsory insurance for the school year 2022\2023 and payment of the voluntary contribution.

The payment notice is **20.00 €** (amount established by the Institute Council; the amount can be changed by the side).

Families are reminded that compulsory school insurance underwritten with **Inail** protection schools only from accidents / events that occurred during the course of educational activities physical / motor and laboratory activities.

In order to fill this insurance gap, the Institutes Scholastics propose to extend the insurance coverage in favor of pupils and the Staff also during all other school and extracurricular activities through supplementary insurance.

Parents of pupils who have not yet made the payment of **5.50** for the insurance coverage a.s. 2022/2023 to proceed by the deadline of 06/11/2022, so that the supplementary insurance coverage is guaranteed to their children.

Below is information on the **PAGO IN RETE** service.

The Pago in Rete telematic system allows families to make payments online (via PC, tablet, smartphone) telematic notices issued by educational institutions, made out to their children for the various services provided: guided tours and educational trips (if activated); transport; school insurance; contributions for extra-curricular activities; contributions volunteers to expand the training offer, donations for voluntary amounts.

By accessing the MIUR web portal - using a PC, smartphone or tablet - families can both view the picture total of all electronic notices made out to their children, issued by the schools where they are enrolled that proceed to pay one or more notices at the same time, using the most common payment methods by choosing from a list of PSPs the most convenient (bank or postal transfer, etc.).

Please also note that through the application it is possible to receive confirmation of the payment made via email and download the electronic receipt and / or valid certification for any tax deductions.

For how to use the platform, please refer to the dedicated MIUR website
